## Parcel Line Adjustment - Permit Application

Show: size in acres of parcels to be created, footprint of existing structures, distances from property lines, location of easements, roads and drives.

SITE SKETCH (In addition to Preliminary Record of Survey)

**Please read:** attach one copy of the **preliminary Record of Survey** and one identical copy scaled to fit on a standard page not to exceed 11 x 17 inches, showing both existing parcels and adjustments proposed, easily distinguishable. At minimum, preliminary Record of Survey must be to scale and show existing boundary lines of the tracts to be adjusted; with owners' names identifying each parcel; the adjusted boundaries of each parcel and area contained within the adjusted parcel; streets, road or alleys within or adjacent to the proposed Boundary Line Adjustment, with widths and courses shown and road, street and alley names pursuant to the Boundary County Uniform Address and Street Naming Ordinance; the location of important features within or adjacent to the Boundary Line Adjustment, such as easements, utility lines, greenbelts and open spaces, etc.

**EasementConcerns:** Provide attached documentation regarding access to your parcel. Having to contact you for this information will delay your permit. Look at your deed and/or related instruments for this legal description.
